

SARAH FEMIA

INTERIOR DESIGNER

Profile

Creative and detail-oriented Interior Designer with experience in high-end, luxury residential design. Known for blending functionality with aesthetics to create spaces that are both beautiful and practical. Skilled in space planning, color theory, 3D visualization, and materials selection, with a strong understanding of architectural and design principles. Experienced in collaborating with clients, architects, and contractors to deliver creative and customized designs. Passionate about transforming ideas into reality, creating environments that inspire, comfort, and reflect the personalities and needs of the clients.

EXPERIENCE

FURNITURE STAGING INTERN LEAR Realty-
Dracut, MA

2020

- Strategically arrange furniture and décor to highlight a home's best features, creating a welcoming and visually appealing atmosphere for potential buyers
- Utilize furniture and accessories to demonstrate how different spaces can be effectively used, making rooms feel larger, functional, and inviting

INTERIOR DESIGN INTERN Heather Smith Designs -
Savannah, GA

2021-2022

- Carefully selected furnishings, materials, light fixtures, colors, and accessories to create a unified interior design.
- Met with clients to gather their wants and needs for their interior space and present design presentations
- Made many job site visits to check on progress and made phone calls to contractors to schedule accordingly

INTERIOR DESIGNER Design West

-Naples, FL

2023-Present

- Prepare presentations, design sketches, floor plans, and specifications, ensuring all materials meet project requirements and deadlines
- Visit project sites to gather information, take measurements, and assess existing conditions, providing valuable input for design adjustments or improvements
- Create digital high-quality renderings and visual mock-up representations of proposed designs for better understanding and decision-making
